# Introduction

The Department of Neighborhood Empowerment and the Office of the City Clerk are pleased to work with the Neighborhood Councils on your elections in 2014. We have developed this manual to help guide candidates and voters through the election process. While some of the policies in this manual also apply to the Selection process (an alternative to elections), the majority of the information will focus on the election process and procedures.

In preparing for the elections, we have utilized the excellent foundation developed by the Office of the City Clerk in the 2008 and 2010 Neighborhood Council elections and combined it with the Independent Election Administrator election format from when the Department conducted elections in 2012. The new election process was designed to utilize the strongest components from both methods so that together we can run elections with integrity, flexibility and fun!

Many thanks to those Neighborhood Council leaders who have provided the critical election feedback that we have tried to incorporate into this manual; who have volunteered to help coordinate regional outreach; who are acting as Independent Election Administrators to guide their fellow Neighborhood Councils through the election process; and who volunteer at the polls step forward regularly to ask us how they can help make these elections successful. We appreciate your enthusiasm and leadership and are inspired by this partnership with you.

Lastly, we want to acknowledge the hard work of our City partners that make our participation in the Neighborhood Council elections possible: Mayor's Office, City Council, Chief Administrative Officer, Chief Legislative Analyst, Office of the Controller, Office of the City Attorney, and of course, the Office of the City Clerk, who have made their election documents and staff available to us during our election preparation.

Please do not hesitate to contact us if you have any questions about the information in this manual. Thank you for your time and efforts in supporting your communities and the Neighborhood Council system!

# Election Process

## I. Overview

The Department of Neighborhood Empowerment (Department) will be conducting elections regionally starting on or about March 1, 2014 and ending on or about May 31, 2014. Each region is comprised of six to ten Neighborhood Councils who will hold their elections on the same day, but at different times and locations within their boundaries. An Independent Election Administrator (IEA) will be assigned to work with the Neighborhood Councils in each region. The IEA assists the Neighborhood Council with education about the elections, outreach (both regionally and individually), paperwork (making sure all necessary election paperwork is completed in time and reviewing all submitted documents from candidates and voters), and monitoring the polls on the day of the election with assistance from Department poll workers and Neighborhood Council volunteers.

The election process has changed from past election cycles in the following main areas:

- **Regional Election Meetings** - because we are holding the elections regionally, we will be working to get information to the Neighborhood Councils via regional meetings so Neighborhood Councils in the same region will have the opportunity to get to know one another and to conduct regional outreach to save money if they so desire.
- **Timeline** - the timeline for elections has been lengthened to 75 days – 30 days to get candidates and 45 days to get voters after all bylaws and election procedures are approved by the Neighborhood Council. This 75 day timeline is counted from the day of the elections.
- **Outreach** - rather than send out two mailers as outreach, we encourage Neighborhood Councils to utilize their existing outreach events to publicize their elections. Neighborhood Councils will be asked to provide an outreach plan that shows how they will reach their stakeholders during the candidate recruiting and voter notification phases of the elections. In addition, because we will be handling all of the sensitive election documentation, such as ballots and applications, Neighborhood Council Board members will be able to work on their Election and/or Outreach committees until the day of the election.
- **Election Procedures** - we will use the Election Procedures in this manual for procedures

that apply citywide. Neighborhood Councils will only need to approve a 2014 Election Procedures Stipulation Worksheet with the changes for the 2014 elections, such as Election Day, time and location.

- **Election Time** - the standard election time will be a four (4) hour window with the ability to extend to six (6) hours by request.
- **Board Affirmation and Shortened Election Times** - in order to save on resources, if a Neighborhood Council has all uncontested seats after the candidate filing deadline, i.e. there is only one or no candidate for each seat, we will hold a Board Affirmation instead of an election. At the Board Affirmation, the uncontested candidates will be acknowledged and affirmed to the Board seats for which they filed. If three or fewer seats are contested, then we may hold a shortened election time of two hours for the Neighborhood Council.
- **Vote-By-Mail** - we are offering Vote-by-Mail with an initial set up fee of \$500 because of the extra staffing we will bring on to administer your vote by mail, which includes setting up all paperwork, fulfilling requests for ballots, verifying any information as necessary and processing the final count.
- **Candidate Write-In** - because of the Board Affirmation process described above, we are not offering write-in candidates in this election cycle.
- **Back Office** - The Department and the City Clerk will jointly be handling all the election administration and paperwork, such as bylaws, election procedures, ballots, candidate/voter verification, Vote-By-Mail, etc. in order to free your Board members and stakeholders up to recruit candidates and voters.
- **Defaults** - we will set defaults for necessary election information, such as the election day, time, location, etc. if the Neighborhood Council does not provide the information by the set deadlines.

## **II. Election or Selection?**

The City Charter allows for Neighborhood Councils to elect or select their Board members. For 2012, the Neighborhood Council had the option of having a Board Selection Process OR a Board Election Process. To hold a Selection, the Neighborhood Council must change their bylaws.

The **Board Election Process** demands a secret ballot for the voters and will be run according to the policies and procedures set forth in this manual. In addition, the Neighborhood Council must follow the regional election timeline. Most voters are used to this model.

The **Board Selection Process** does not have a secret ballot and is usually conducted in a town hall style setting where Board members are selected by a showing of voter hands. Another method allows for a printed ballot, and the ballot is signed by the voter in public. The Selection Process works best when voting for Board members "at-large" or with very few voting "districts"

or sections. The Selection Process requires a schedule for candidate application/verification, outreach plan, budget plan, stakeholder registration/verification, and a method of selection such as raising hands, a method for determining ties, and the selection of a Neutral Third Party to oversee the entire process to provide an open, fair, and transparent process. The Department has provided a Selection Procedures Stipulation Worksheet to assist Neighborhood Councils with a selection.

If a Neighborhood Council wanted one year terms for Board members or wanted more flexibility as to the day they want to hold a vote for the new Board members, then they should use a Selection Process. Elections are only held during the even-numbered years so Board terms have to be two or four years. The Department's timeline for elections does not allow for as much flexibility for date selection since all of the Neighborhood Councils in a region must have their election on the same day. If a Neighborhood Council wanted a certain day not chosen by the region, then they will need to go to a Selection Process.

### **III. Election Timeline**

To provide you with an overview of the election process, we have divided it into eight phases:

#### **PHASE 1 - Getting Ready**

***Timeline – 90 to 120 days from election day***

The Department has already set up the Regions, and the Neighborhood Councils will have selected their election day. If the committee is not already in place and working, the Neighborhood Council Boards should immediately appoint a minimum three person Election Committee (including a Chair) to work with the IEA and the Department. The Neighborhood Council Board should also have an Outreach Committee to focus on outreach for candidates, outreach for voters, and coordination with the regional Neighborhood Councils. These committees can be combined since their efforts and work will complement each other.

- To Do:**
- Board approval of the 2014 Election Procedures Stipulation Worksheet
  - Meet with the Neighborhood Councils in your region to discuss outreach
  - Set a goal to recruit a minimum of three candidates per open Board seat
  - Tell your stakeholders that you are having an election!
  - Start recruiting candidates as early as possible!

#### 2014 Election Procedures Stipulation Worksheet

The Neighborhood Council's 2014 Election Procedures Stipulation Worksheet will include the Board's final decisions on the election time, location, candidate/stakeholder verification process, Vote-by-Mail and an outreach plan. The worksheet will supersede any inconsistent language in the Neighborhood Council bylaws, which will be updated by the Department to be consistent with the worksheet. The information on the worksheet will be used to develop the Neighborhood Council's final Election Procedures Addendum.

#### Outreach Planning

The goal of the outreach plan is not only to let your stakeholders know about the upcoming elections, but also to recruit enough candidates so that every open seat is contested, i.e. has multiple candidates. Contested elections bring out voters. So if your Neighborhood Council wants a high voter turnout, concentrate on recruiting more candidates.

Please use the Outreach Plan form provided by the Department in conjunction with the Election Procedures Stipulation Worksheet for ideas on how to conduct outreach regionally and locally. In addition, your Neighborhood Council may also want to include:

- Candidate Information Sessions - The Neighborhood Council may want to hold Candidate Information Sessions regionally or on its own to attract candidates to run for Board seats. The Department also offers the EmpowerLA Leadership Academy workshops, which provide training for candidates.
- Candidate Statements - Neighborhood Councils may request candidate statements and publish them on websites, emails, or any outlet available to the Neighborhood Councils.
- Candidate Forums - Each Neighborhood Council may present any number of Candidate Forums or arrange for forums sponsored by other organizations, such as Chamber of Commerce or other regional Neighborhood Council organizations. Each forum, however, must ensure that each and every candidate is provided equal time and exposure.

The Department sends out a weekly e-newsletter that will keep everyone updated on the elections and other issues affecting the Neighborhood Council system.

### **Phase 2 - Election Timeline Starts**

### ***Timeline – 90 and 75 days from Election Day***

Seventy five (75) days from the Election Day, the official timeline of the elections begin with a call for candidates and ninety (90) days Vote-by-Mail applications will be available if your Neighborhood Council is providing this service. The Department will provide candidate filing forms to each region for distribution. We will also have the forms and the information for all the Neighborhood Council seats available on the website for online filing and download. All candidates will need to provide documentation to prove that they are eligible to run for the seat. As the candidates are verified by the IEA, we will post their name and the Board seat they are running for on the Neighborhood Council's election page on our site and also provide the information to the Neighborhood Councils, too.

#### **To Do:**

- Start recruiting candidates if you haven't already!
- Hold Candidate Information Sessions
- Distribute Vote-by-Mail applications if applicable
- Keep telling your stakeholders that you are having an election!

### **Phase 3 – Election or Board Affirmation?**

### ***Timeline – 45 days from election day***

Forty-five (45) days from the election day, all candidate filing forms are due. Candidates who have filed by this deadline will have to submit any additional information to establish their

stakeholder status for the position they are running for. Within three (3) calendar days of the due date, the City Clerk will release the final verified candidate list. If there are no contested seats, the Department will hold a Board Affirmation town hall at the next regular meeting of the Neighborhood Council to seat the new Board. If there are not enough candidates to meet a quorum of the Board, the Department will use the Board of Neighborhood Commissioners Loss of Quorum policy to seat a new Board.

If the Neighborhood Council's open Board seats are contested, then it's time to engage voters to come out to the election and vote!

- To Do:**
- Announce the candidates for the election
  - Hold Candidate Forums
  - Recruit volunteers to assist on the day of the election
  - Develop an exit poll or survey for your stakeholders on election day
  - Keep telling your stakeholders that you are having an election!

#### Recruiting Election Volunteers

The Department will provide a Poll Manager and Assistant Poll Manager on the day of the election. They will be supervised by the IEA. We encourage Neighborhood Councils to provide volunteers for their elections. The volunteers can be non-candidate Board or committee members and stakeholders. Because all the elections are occurring on the same day in the region, Board and committee members are encouraged to work on a neighboring council's elections in the region. The Department will provide a short training for all volunteers on how to conduct a successful election.

#### Vote-by-Mail Ballots

For those Neighborhood Councils offering Vote-by-Mail, the ballots of verified applicants will be mailed out thirty (30) days prior to the election day. The first day to apply to vote by mail is ninety (90) days and the deadline is eight (8) calendar days prior to given election day. All VBM ballots must be received by the City Clerk the last business day before the election, or they can be dropped off at the Polling Place the day of the election.

During this period of thirty (30) days just prior to the election, the City Clerk will prepare and produce stakeholder registration forms, ballots, VBM process, poll worker and volunteer name tags and instructions. The City Clerk will assemble the Election Kit with supplies for the election.

#### Neighborhood Council Exit Polls or Surveys

Your Neighborhood Council can develop an exit poll or survey for the voters on the election day to obtain information on how successful your outreach campaign was, what issues are important to them, etc. The survey cannot ask how the voters voted. The Neighborhood Council can set up a table within 100 feet of the Polling Place near the exit so long as the table does not block the flow of traffic. Any other organization or stakeholder with exit polls or survey must stay 100 feet outside of the Polling Place.

### **Phase 4 - Election Day**

#### ***Timeline – election day***

The Poll Manager will arrive on election day with an Election Kit, including a ballot box with lock, ballots, stakeholder registration forms, pens, paper, observer badges, volunteer badges, generic

signs, voting instructions, voting booths, ballots forms and colored paper for printing additional ballots, volunteer instructions, Vote-by-Mail ballots unopened if applicable, Vote-by-Mail ballot received list if applicable, counting forms and report forms. Prior to opening the polls, the Poll Manager shall place the VBM Ballots received by the City Clerk into the Ballot Box and then lock the Ballot Box.

The Poll Manager and volunteer poll workers arrive to the Polling Place at least one hour before the polls open to set up the space physically. The IEA and Poll Manager will provide a layout for the Polling Place for easy access and flow for the voting process, including areas for:

- Registration
- Ballot Pick-Up
- Voting Booths
- Ballot Box

The Poll Manager will announce the opening and closing of the polls. At the close of the polls after all ballots have been placed in the locked ballot box, the Poll Manager will take possession of the ballot box while volunteers set up the room for counting. If time and the number of ballots do not permit for counting at the Polling Place, the Poll Manager will take the ballot box back to the Department office for counting with notice to the public as to when the count will take place.

- To Do:**
- Come out and vote!
  - Volunteer to help at a Neighborhood Council Polling Place

### **Phase 5 - Canvass of Votes - Counting**

### ***Timeline – election day***

When it is time to count the ballots, the Poll Manager will instruct and oversee the counting volunteers in the following steps:

1. The ballot box is unlocked, and the ballots are sorted according to color of ballot. Vote-by-Mail ballots are separated from the envelopes and sorted with the rest of the ballots.
2. The stakeholder registration forms are counted and noted.
3. The total number of ballots are counted and noted.
4. The Poll Manager divides the ballots into manageable amounts for counting, usually no more than 100 ballots.
5. Volunteers are divided into pairs (a caller and a marker). They are given pre-printed counting sheets: one volunteer calls the name of the person receiving a vote and the other marks down the vote on a tally sheet.

Observers will be allowed in to watch the counting process so long as they do not interfere in the count.

After the count is over, the Poll Manager will package all election materials, including ballots and registration forms and return them to the IEA, who will also review the election materials. The IEA will arrange the delivery of the election materials to the City Clerk on the next business day.

Within 24 hours, the IEA will post an unofficial canvass of votes on the Department website for public review and will also send the results to the Neighborhood Council. This canvass of votes may be the Final Official Certified Canvass of Votes if there are no outstanding ballots to be verified. The City Clerk will retain materials until after the deadline for challenges if there are no challenges or after the conclusion of arbitration of all challenges.

If there are provisional ballots, the deadline for submission of acceptable documentation is three (3) calendar days after the election. The IEA will verify or disqualify the provisional ballots and revise the canvass of votes.

The more volunteers available to help count, the faster the counting goes!

**Phase 6 – Recounts and Challenges**      *Timeline - 3-5 days after the election day*

Recounts may be requested within three calendar days after the elections. Challenges to the election are accepted within the five calendar days after the election.

**Phase 7 - Seat the Board**      *Timeline - 30-60 days after the election day*

After all challenges are resolved, the newly elected Board will be seated at the next regular Neighborhood Council Board meeting so they can start working for their community!

**Phase 8 - Train the New Board**      *Timeline - 30-90 days after the election day*

It is important that all the new Board members know the policies and procedures for the Neighborhood Council system so they can operate effectively for their community. The Department EmpowerLA Leadership Academy will offer Board orientation trainings. In addition, Board members are mandated to take the state required ethics training, which is offered online on our website and live with the Office of the City Attorney. Funding training is required of all Board members. Some Neighborhood Council bylaws also mandate training within a certain time period or the Board member will lose voting rights so check with your Neighborhood Council. Unless picked up by the Neighborhood Council Board all election materials will be destroyed ninety (90) days after the election.

# Election Policies

The policies set forth in this section are to supplement the Election Procedures and any other legal authorities over Neighborhood Council elections and supersede any inconsistent language in Neighborhood Council bylaws. The Department may refer back to the 2012 Neighborhood Council Election Policies or add policies as necessary in its administration of the elections.

## **I. Term Extension**

The Department shall extend the current Board terms set to expire in 2014 until after the certification of the Neighborhood Council's election or Selection results or the resolution of all official challenges, whichever date is later. All Neighborhood Council elections and Selections must be completed in 2014.

## **II Board Affirmation**

If, after the candidate filing verification deadline, there is only one or no candidate for every Board seat, the Department will hold a Board Affirmation at the next regularly scheduled Board meeting of the candidates in lieu of an election.

## **III Write-in Candidates**

There are no write-in candidates for the 2014 election cycle.

## **IV. Shortened or Extended Election Time**

The standard election window on the election day is four (4) hours. Neighborhood Councils can request a six (6) hour window instead at no additional cost. If three (3) or fewer seats are contested, then the Department may hold a shortened election time of two (2) hours for the Neighborhood Council.

## **V. Vote-by-Mail Fee**

If a Neighborhood Council would like to offer Vote-by-Mail to their stakeholders, the City Clerk will charge a \$500 set up fee, which would include the preparation and mailing of 200 ballots with no postage on the return envelope. For more than 200 ballots, the City Clerk will charge the Neighborhood Council only the cost of mailing the ballot. The Neighborhood Council can also pay the cost of postage on the return envelope if that option is desired.

## **VI. Location Fee**

The Department will pay a Polling Place location fee of \$200 or less. Any charges above this amount, including security or custodial fees, will be the responsibility of the Neighborhood Council.

## **VII. Election Schedule Deadline Conflict**

Where possible, the Neighborhood Council election schedules will all follow the same general timeline, i.e. candidate filing begins 75 days prior to the election. The Department offices will not be open on weekends or holidays. As such, the Neighborhood Council Election Procedures deadlines shall be adjusted when necessary. Where the planned deadline falls on a Saturday, Sunday, religious or national holiday, the actual deadline date will be moved to the following City of Los Angeles business day.

## **VIII. Running Board Slates**

A group of candidates may run as a slate so long as all candidates agree to be on the slate.

## **IX. Candidate Filing Form Information Public**

Since candidates for Neighborhood Council Board seats are vying for public seats, Candidate Filing Forms, which can include a candidate's contact information and qualifying information, are considered public information and subject to disclosure. Please note that a candidate's signature on the Candidate Filing Form is not subject to disclosure and will be redacted prior to fulfilling a California Public Records Act request.

## **X. Board Affirmation**

When there are one or fewer candidates running for each of the Neighborhood Council Board seats, the Department will hold a Board Affirmation in lieu of an election at the Neighborhood Council's next regular meeting after the final verified candidate list has been released by the City Clerk. The outgoing Board shall prepare an agenda where the first agenda item shall be the Board Affirmation by the Department, and the second agenda item shall be the election of the Board Executive Officers if applicable. The candidates for the open Board seats will be seated at the meeting by the Department. If there is not a regular meeting within thirty (30) days after the final verified candidate list has been released, then the outgoing Board or the Department will hold a special meeting within fifteen (15) days after the release of the list instead to affirm the Board.

## **XI. Inspection of Forms**

Please note that Stakeholder Registration Forms, Vote-By-Mail Applications, and ballots will only be made available for inspection after the Final Official Certified Canvass of Votes is completed in order to ensure critical documents are available for use by staff when needed, to avoid any interference with the election process, and to avoid the possibility of duplication and/or fraud. The processed ballots and non-exempt information on the stakeholder registration forms and Vote-by-Mail applications will be provided within a reasonable amount of time after the date of the election. These documents will be destroyed ninety (90) days after the election.

# Election Procedures

## I. Introduction

These election procedures meet the minimum requirements to conduct Neighborhood Council Board member elections pursuant to City Council policy and other standardized election procedures that may be issued by the Department. These procedures supplement the Neighborhood Council's Election Procedures Addendum, 2014 Election Procedures Stipulation Worksheet and bylaws. Where a Neighborhood Council has not submitted the 2014 Election Procedures Stipulation Worksheet, the citywide default values will apply.

## II. Elections

The election will be a **Prepared Ballot Election**. In this election, candidates shall file prior to Election Day and will then be included on a printed ballot that is distributed to the voters on Election Day.

- Proxy voting will not be allowed for this election
- Voters may cast their ballots on the day, time and location indicated in the Neighborhood Council's 2014 Election Procedures Addendum.
- If a voter with a disability is unable to access the Polling Place, curbside voting will be provided as an option for that individual. On Election Day, voters can request curbside voting by calling the Elections Division Hotline at (818) 293-VOTE (8683).

## III. Location

- A. The Neighborhood Council can provide an election location in its Board approved 2014 Election Procedures Stipulation Worksheet.
- B. Election Locations should meet the following criteria:
  1. Sufficient size to accommodate the voter sign-in process and actual voting activities.
  2. Sufficient parking for poll workers and voters.
  3. Convenient for those utilizing public transportation.
  4. Procedures must be in place to accommodate disabled voters and in compliance with the Americans with Disability Act (ADA).
  5. Unbiased location for stakeholders and candidates.
  6. Available for the Neighborhood Council election day for at least two hours before and after the election start and finish.
- C. The Election Location or Polling Place will be published on the Department website at least thirty (30) days prior to the election and any change of location within 24 hours of the change.

## IV. Neighborhood Council Boundaries

The boundaries of the Neighborhood Council are set forth in its bylaws. Where a map of a Neighborhood Council does not match the language provided in that Neighborhood Council's

bylaws, the IEA shall defer to the written bylaws for clarification and revise the map in accordance with specific language in a given Neighborhood Council's bylaws.

In the event specific language is not specified in a Neighborhood Council's bylaws regarding how bordering boundaries are defined for a Neighborhood Council or its internal districts/areas/quadrants/zones, the IEA shall consider the middle of the road as the defining border for election-related purposes, such as candidate qualification and stakeholder (voter) verification. This will only apply when a Neighborhood Council has not specifically identified boundaries to include both sides of the street (road, avenue, boulevard) or to include or exclude any specific landmarks, parks or plots of land.

Specific voting districts as noted in the boundaries will be followed within the above boundary definitions and will apply to candidate qualification and voter qualifications.

## **v. Definition of Stakeholder**

Neighborhood Council membership is open to all stakeholders. "Stakeholders" shall be defined as those who live, work or own property in the neighborhood and also to those who declare a stake in the neighborhood as a community interest stakeholder, defined as a person who affirms a substantial and ongoing participation within the Neighborhood Council's boundaries and who may be in a community organization such as, but not limited to, educational, non-profit and/or religious organizations (Ordinance No. 182830 effective January 26, 2014).

- All person(s) or entities that meet the criteria for the definition of stakeholder shall be eligible to vote in the election, either at the polls or by utilizing the Vote-by-Mail option if applicable.
- Stakeholders cannot be denied the opportunity to vote for a candidate for member of the governing Board for whom they are eligible to vote.
- Stakeholders cannot be denied the opportunity to run for a Board seat for which they hold stakeholder status unless otherwise prohibited by the Neighborhood Council bylaws.
- In order to cast a ballot in the election, a stakeholder must be the age on the date of the election as stated in the Neighborhood Council's 2014 Election Procedures Stipulation Worksheet and bylaws.

## **vi. Independent Election Administrator**

The Department will assign an (IEA) to administer the elections in each Election Region. To serve as the Independent Election Administrator, the person(s) or organization selected must have attended training program conducted by the Department. The IEA may utilize the staff, material, equipment and facility resources of the Neighborhood Council, the Department or City Clerk to assist them in carrying out the election administration duties, provided, however, that the following conditions are met:

- None of the candidates for the governing Board may participate in any way in the handling/counting of ballots, voter/candidate registration/verification, and/or assisting voters engaged in the act of voting in translating/interpreting the voting material or explaining the voting process.
- The IEA must maintain the authority and responsibility for the administration of the election.

The IEA, in coordination with the Department, shall be responsible for the following duties:

- Conducting the Neighborhood Council elections according to the Neighborhood Council bylaws, 2014 Election Procedures Addendum and any other applicable legal documents.
- Processing of candidates, including verification of eligibility, in coordination with, and under the direction of the City Clerk.
- Assisting the region with any Candidate Information Sessions.
- Processing of voters, including pre-registration and verification of eligibility as applicable.
- Distributing and receiving ballots from the voters on Election Day.
- Verifying any provisional ballots.
- Counting and recounting the ballots.
- Issuing the election results.
- Securing and submitting all election materials to the City Clerk for records retention in accordance with the bylaws and Election Procedures.

## **VII. Candidates**

### **A. Candidate Filing**

1. All potential candidates must complete a Candidate Filing Form and file the form with the Office of the City Clerk - Election Division by the Candidate Filing Deadline which shall be 45 days prior to Election Day. Candidates may also file online. All potential candidates will be notified by the City Clerk if their Candidate Filing Form is incomplete and the steps necessary to complete the candidate filing process.
2. All potential candidates must provide identification and any other applicable documentation to establish their stakeholder status for the position which they are applying. All candidates must provide all necessary documents within three days of the Candidate Filing deadline prior to 5:00 p.m. Faxed forms of identification will not be accepted.
3. Candidates may submit a Candidate Statement on a template provided by the City Clerk.
4. The City Clerk will retain all Candidate Filing Forms and corresponding documentation according to Article XXVI. Disposition of Election Records.

### **B. Candidate Seat Designation**

1. Candidates in Neighborhood Councils must indicate which Open Seat they are filing for in order to become a verified candidate.
2. Verified and Unverified candidates may qualify for more than one Open Seat and it is the candidate's responsibility to select for which seat they are running. Some Neighborhood Councils allow candidates to run for more than one seat. If specified in the bylaws, then candidates can run for more than one seat. If the bylaws are silent, the candidates are limited to one seat.
3. Verified candidates may withdraw their verified Candidate Filing Open Seat Designation and change their Open Seat Designation only once up until the close of the Candidate Filing Deadline. Candidates will be responsible for understanding how changing their seat will affect the stakeholders who will be able to vote for them.

4. Unverified candidates who submit their Candidate Filing forms with no Open Seat designation or with an incorrect Open Seat designation will have one opportunity to adjust their Filing Form as they work with the City Clerk Candidate Verifier. The notification of candidates to participate in such events shall be the sole responsibility of Neighborhood Councils. Please note that a candidate's contact information, including his or her home address, home phone number, and email address is subject to disclosure if a California Public Records Act request is made. A candidate's signature will not be subject to disclosure.

## **VIII. Candidate and Stakeholder Verification**

For this election, the Department will accept forms of identification for self-affirmation and documentation as prescribed by the Department's Neighborhood Council Election Acceptable Forms of Documentation.

## **IX. Campaigning**

- A. The use of the City of Los Angeles Seal, the Department, City Clerk or Neighborhood Council logo or any other official Neighborhood Council designation created by the Department is prohibited for use on candidate materials.
1. A logo is a graphic mark and/or emblem used by the City, a City department, or a Neighborhood Council that serves to facilitate immediate public recognition. A logo can consist of purely graphic symbols or icons, but can also consist of a logotype or word mark.
  2. Any use of a logo, regardless of intent, will be considered a violation of this article and the Neighborhood Council Election Procedures unless the logo is used as part of outreach material produced by the City, a City department, or the Neighborhood Council for the sole purposes of promoting the election. If such outreach material contains candidate names, all qualified candidates must be listed on the material.
  3. The purpose of this provision is to prevent candidates or supporters of candidates from campaigning under the expressed or implied endorsement or authorization of the City, a City department, or a Neighborhood Council and prevent voter confusion. Please note that any logo that is substantially similar to a City, City department, or Neighborhood Council logo may lead to voter confusion and may be subject to a challenge.
- B. The governing Board of the Neighborhood Council, acting in their official capacity as the governing Board, is prohibited from endorsing or campaigning for any candidate or group of candidates running for the governing Board of the Neighborhood Council. This provision does not restrict the right of individual Board members, acting as individual stakeholders, or any other stakeholders, from endorsing or campaigning for any candidate or group of candidates.
- C. No City facilities, equipment, supplies or other City resources shall be used for

campaigning activities except:

1. to hold a Candidate Forum sponsored by a Neighborhood Council;
2. to hold a Neighborhood Council election; or
3. if the individual has obtained approval from an authorized representative of a City Department or Commission (if managing a Department) for use of the facility.

D. City resources may be used by a Neighborhood Council for communicating with voters through the printing and mailing of a voter information pamphlet, which includes candidate statements and/or the posting of candidate statements on its website. To the extent that the Neighborhood Council provides candidate statements to the voters or Neighborhood Council mailing lists to candidates, candidates shall be given access in a timely and uniform manner.

## **x. Electioneering**

No campaigning or electioneering activities will be allowed within 100 feet of the Polling Place, which is measured from the door of the Polling Place where voters sign the roster and cast their ballots. Polling Place staff must place signs indicating where the 100 foot mark is located.

Electioneering includes:

- soliciting a vote or speaking to a voter on the subject of marking his or her ballot;
- placing any sign relating to any candidate;
- distributing material relating to any candidate; or
- placing a sign, distributing material, or conversing with a voter on the subject of the voter's qualifications to vote.

In addition, excessive noise and audio equipment that creates a nuisance to voters or staff within the 100 foot mark will amount to a violation of this policy. Vehicles that have a banner or placard soliciting a vote or recommending any candidate shall remain 100 feet beyond the building where voters are voting, except for the discharge or loading of passengers. Activities beyond the 100 foot mark are subject to the rules of the particular property owner and should be respected.

Any person or persons engaged in electioneering will be directed by polling place staff to cease and may be asked to leave.

## **xi. Ballot**

A. Ballot Order: The Department will randomly draw the letters of the alphabet to create the order the candidates shall be listed on the ballot. The candidates will be listed in such order according to the first letter of their last name.

B. The IEA will use the candidate's legal name for the ballot. No completely fictitious name may be used on a ballot to refer to a candidate. If a candidate wishes a different name to appear on the ballot, the following format must be followed:

1. The format for including nickname on the ballots is: First Name "Nickname" Last Name (i.e., Jonathan "Chico" Anderson).
2. A shortened version of a name or a variation of a name will be allowed in lieu of a candidate's legal name. For example, instead of Jonathan Anderson, the candidate

may use the name “John Anderson,” or “Johnny Anderson” or “J. Anderson.”

3. Professional Degrees: Professional Acronyms shall not be used on a ballot. No name shall include professional distinctions such as: PhD, MSW, Esq., Rev., etc.
4. In order for a name to fit on the ballot, all names appearing on the ballot must be a maximum of 26 characters/letters, including spaces and punctuations. Any names that exceed this number will be cut to the maximum number of characters/letters starting from the last letter of the name. For example, Miguel Angelito Martinez Jr. will appear on the ballot as “Miguel Angelito Martinez J”.
5. Where there is a conflict between the names provided as documentation or on documents provided to the IEA, the name written on the Candidate Filing Form will override (unless otherwise specified by the Candidate in accordance with this policy and submitted to the IEA by the Candidate Filing deadline to appear on the ballot).

**xii. Self Affirmation for Homeless Voters:** In Neighborhood Councils requiring documentation to verify voters, homeless voters will be exempt from providing such documentation if they affirm that they are homeless and that they meet the voter requirements for the seat(s) for which they are voting.

### **xiii. Polling Place Operations**

Only poll workers and voters engaged in voting may be within the voting booth area during the time the polls are open.

- A. **Curbside Vote:** If a voter with a disability is unable to access the Polling Place, a volunteer who is designated by the Department shall hand-carry a ballot and a Stakeholder Registration Form (if needed) to any physically challenged voter at the polling site for completion in the general area of the polling site. Once marked, the ballot shall be placed into an envelope, and then the envelope shall be sealed. The volunteer shall return the completed Stakeholder Registration Form to the poll workers for processing, and the sealed envelope containing the ballot shall be deposited into the ballot box.
- B. **Observers:** Prior to opening, all Observers must wait outside while the poll workers set up the Polling Place. Observers will be permitted to enter the Polling Place once the polling site officially opens for voting. All Observers must sign in with Staff. A badge will be issued and must be worn at all times. When leaving for the day/evening, the Observer must sign out and return the badge to the Poll Manager.
  - Observers may not interfere in the election or the voting process. Observers cannot assist in operations, touch or handle any ballots or other election-related materials.
  - Observers may not talk to or solicit voters in the Polling Place.
  - Observers are allowed to videotape Polling Place operations pursuant to Article XXI. Videotaping.
  - Candidates are not permitted as Observers at the Polling Place on Election Day.
  - Observers have the right to ask poll workers questions regarding election procedures and to receive answers or be directed to the appropriate official for responses to questions. If, however, persistent questioning disrupts the execution of their duties, the poll workers can stop responding and direct the observers to the Poll Manager for all further answers. If disruptions persist, the Observer may be asked to leave the

## Polling Place.

- C. **Provisional Voting:** A voter may cast a provisional ballot if the voter's eligibility to vote in the election cannot be determined in favor of the voter at the time the voter attempts to cast his or her ballot. The only acceptable basis for challenging a voter's right to vote at the Polling Place will be that the person is not a stakeholder as defined by the Neighborhood Council bylaws or that the person was issued a Vote-by-Mail ballot.
- If a voter is challenged on the basis that they were issued a Vote-by-Mail ballot, the voter may surrender the unused Vote-by-Mail ballot at the polling site at which time the voter will be issued a regular ballot.
  - If a voter is challenged on the basis of insufficient documentation, the voter may produce any of the documentation outlined in these Election Procedures at which time the voter will be issued a regular ballot.

If a voter cannot produce the required documentation or the voter cannot surrender the Vote-by-Mail ballot, then the voter will be offered the opportunity to vote a provisional ballot. The provisional ballot will be the same as regular ballot, except that prior to placement in the ballot box the provisional ballot will be placed inside a provisional envelope. On the outside of the envelope the voter will provide:

1. The voter's name.
2. The voter's address.
3. The voter's stakeholder status.
4. The voter's contact number(s), e.g. mobile or other telephone number.
5. The voter's email address
6. When a voter casts a provisional ballot, the voter will be issued instructions that explain what steps the voter must take to qualify the provisional ballot, including documentation required to be submitted, where the documentation is to be submitted, and a contact number to request assistance or seek additional information. The deadline for submission of acceptable documentation shall be three (3) calendar days after the election. The City Clerk will be responsible for the verification of the provisional ballots.

## **xiv. Vote-By-Mail**

A Neighborhood Council may decide to offer Vote-by-Mail to its stakeholders but only if they have selected self-affirmation as its method for establishing stakeholder status. If this is offered, all stakeholders are eligible to Vote-by-Mail.

Vote-by-Mail applications will be available beginning ninety (90) days prior to the election day and shall include instructions describing how to complete the application. VBM applications will be available online at [www.EmpowerLA.org](http://www.EmpowerLA.org) and may be requested by email, telephone, fax, or in person.

The deadline for receipt of Vote-By-Mail applications is eight (8) days prior to the election day.

The City Clerk will oversee and approve the preparation and distribution of a Vote-by-Mail application, which contains spaces for the following information:

- The name and residence address, or business or organization affiliation address of the stakeholder.
- The name and address to which the ballot is to be mailed, if different than the residence

or business or organization affiliation address.

- The stakeholder/voter's signature.
- The stakeholder status of the voter.
- Instructions relative to the completion of the application.
- The name and date of the election for which the application is being submitted (to be pre-printed on the application).
- The date on or before which the application must be received (to be pre-printed on the application).
- The address where the application is to be mailed or delivered (to be pre-printed on the application).

**Candidates may distribute Vote-by-Mail applications, but shall not handle the return of the applications or the Vote-by-Mail ballots. No candidate, individual, or group may handle distribute, collect, complete, or submit completed or blank VBM applications on behalf of another person. Applications completed, collected, or submitted on behalf of another person will not be accepted. VBM applications may, however, be requested on behalf of a family member or domestic partner who live within the same household.**

The City Clerk will maintain lists of all persons issued a Vote-by-Mail ballot, and all those returning a Vote-by-Mail ballot must be prepared and provided to the person(s) managing the polling site(s) for use in the voter sign-in process.

A voter will not be allowed to retrieve and destroy a previously submitted Vote-by-Mail ballot and then be issued and vote a regular election day ballot.

## **xv. Canvass of Votes and Election Certification**

The Department will be responsible for tabulating the ballots and announcing the unofficial results on election day or as soon thereafter as possible. The City Clerk will verify all Provisional and Vote-by-Mail Ballots for inclusion in the Final Official Certified Canvass of Votes.

The Final Official Certified Canvass of Votes shall occur on election day at the Polling Place barring the need to count any additional outstanding ballots. The canvassing of votes will be open to the public, including candidates, for observation, provided that the observers must not interfere with or attempt to influence the vote tabulation in any way.

Tie votes shall be resolved by drawing straws immediately after the canvassing of votes if all candidates or their designated representatives are present or within two (2) calendar days with notice provided on the Department website. The IEA or other Department staff will conduct the tie resolution in public view and candidates or their designated representatives will be requested to be present.

The IEA will submit the Final Official Certified Canvass of Votes to the Neighborhood Council.

The Department will post the Final Official Certified Canvass of Votes on the Department website immediately upon completion.

## **xxvi. Public Records Act**

This is to notify all stakeholders of the policy regarding California Public Records Act (CPRA) requests for materials used in Neighborhood Council elections. Under the CPRA, a member of the public can make a valid request for public documents either in writing (including e-mail) or orally. The CPRA requires the disclosure of governmental records to the public, subject to certain exemptions.

Certain information on governmental records may be redacted: home street addresses; home telephone numbers; private e-mail addresses; signatures; or any other identifying information as determined by the Office of the City Attorney.

The following are examples of what information is subject to disclosure and what information must be redacted prior to fulfilling a CPRA request for Neighborhood Council elections:

- Stakeholder Registration Forms, Vote-by-Mail Applications, and ballots will only be made available for inspection after the Official Canvass is completed in order to ensure critical documents are available for use by staff when needed, to avoid any interference with the election process, and to avoid the possibility of duplication and/or fraud.
- The processed ballots and non-exempt information on the Stakeholder Registration Forms and/or Vote-by-Mail Applications will be provided within a reasonable amount of time after the date of the election.
- In regard to the Stakeholder Registration Forms and Vote-by-Mail Applications, the

following information will be redacted prior to fulfilling a CPRA request:

Since candidates for Neighborhood Council Board seats are vying for public seats, Candidate Filing Forms, which can include a candidate's contact information, including his or her home address, home phone number, and email address and qualifying information, are considered public information and subject to disclosure if a California Public Records Act request is made. Please note that a candidate's signature on the Candidate Filing Form is not subject to disclosure and will be redacted prior to fulfilling a CPRA request. All candidates must provide documentation to establish their stakeholder status for the position which they are applying. Any documentation used by a candidate and retained by the City Clerk to qualify a candidate is subject to limited disclosure.

Election Challenges are subject to disclosure as a public record. When requested, the name of the person filing the challenge and the grounds for filing the challenge must be disclosed. Any documentation used by challenger to support his or her challenge is subject to limited disclosure.

Once a CPRA request is made, the Department will have ten (10) calendar days to respond to the request, indicating what will or will not be disclosed, the reasoning behind any decisions made, and, if applicable, the total fee for requested copies. Please note that an additional fourteen (14) calendar days to respond may be allowed if warranted by special circumstances. This ten (10) calendar day period is not the period of time in which the request must be fulfilled, but rather, the period of time in which to notify the requesting party what information will be disclosed.

Redactions must be made when members of the public view the requested materials in person and when copies are made and provided to the public. When viewed in person, the public may examine and take notes of the redacted material, but may not have access to any exempt information. When fulfilling an in-person request, a member of the staff will remain present at all times to supervise the viewing and to answer any questions that may arise.

In the event that photocopies of materials are requested, the City Clerk or the Department will charge \$0.10 for each photocopy. Payments can be made in person or sent to the City Clerk at 555 Ramirez, Space 300, Los Angeles 90012 or to Department of Neighborhood Empowerment, 20<sup>th</sup> Floor, City Hall, 200 N. Spring Street, Los Angeles, CA 90012, prior to the copies being made.

## **xxvii. Disposition of Election Records**

At the conclusion of the recount and election challenge resolution period, the City Clerk shall retain all election-related materials for a period of ninety (90) days. All election-related materials will be made available to the public in accordance with the CPRA and subject to Article XXIV. After ninety (90) days of retention by the City Clerk, all Neighborhood Council election-related materials will be destroyed.
