REASON FOR CHALLENGE: Concerns regarding Ballots
Eligibility of Voter

Please state the facts for your challenge.
(max 500 words)

DLANC By-Laws do not expressly state, Vote for 3 people/seats. The Ballot for Social Service Provider Director says, Vote For 3, thus the Ballot caused voters to vote significantly more for a qualified candidate. Social Service Provider voter eligibility states: Stakeholders who are at least 18 years of age and with proof of SSP interests from organizations but not limited to mission-type, faith-based organizations that provide social services, non-profit affordable housing, development and management organizations, non-profit educational and employment training, social service advocacy groups, non-profit hospitals, health care providers, social service counseling and life enrichment organizations such as senior service centers. You could only vote if you worked or volunteered, what about those who are recipients? They also have a stakeholder interest. For the above 2 reasons, I challenge this vote.

Please state your desired remedy. (max 100 words)

A new election in SSP category.
