REASON FOR CHALLENGE:

Please state the facts for your challenge.  
(max 500 words)

I was a Volunteer at the Pico Union N.C. election of April 3, 2014, from 12:00 to 4:00 p.m. Prior to Election Day I was told that hours for Voting were from 12:00 to 8:00 p.m. Friends of mine came at 12:00 and were not able to. They left and were not able to come back. During my stay as volunteer at the Election site, many people came out to vote, but were told that they needed some form of identification. They started screaming at me and told me that they had received flyers and brochures with "NO ID required" and that everybody had the right to Vote. They left and never came back.

Please state your desired remedy. (max 100 words)

As a stakeholder and as a direct witness to the issues, I believe that new elections should be scheduled. Many votes for some of the Candidates were lost.
