My application as candidate for April 3's election was based on the Pico Union Neighborhood Council Bylaws, Article III (Boundaries) Section "B" that estates: "In order to provide regional representation, the Pico-Union Neighborhood Council area will be divided into three (3) districts as follows: District 1, District 2, and District 3.... City clerk would not accept my application as Candidate for April, 2014, Elections, if I didn't qualify under District 3, jurisdiction requirement. PUNC printed about 20,000 flyers (most of which are in the trash at this moment). One flyer included Organization Representatives District 1, 2 and Three 3. My name was under District 3 with no competition is on District 3. On Election Day, the Ballot had my name in a group of 5 and the top 3 most votes won the 3 available seats.

Please state your desired remedy. (max 100 words)

An evaluation of how this sudden change. To nominate the right candidate for the proper District for which the Candidate filed the Candidate Application. If no action is taken, District 3 will be without representation under Community Based Organization.
