REASON FOR CHALLENGE: Vote-by-Mail Process

Please state the facts for your challenge.
(max 500 words)

This Challenge is for the 33 Provisional Votes (envelopes) The 2014 Neighborhood Council Elections Canvass of Votes was signed and released to the public on Thursday, April 3, 2014, at about 9:45 p.m.. The Canvas shows that there are 33 provisional envelopes. So, that means that until those envelopes are processed and given the result to the public, the elections are not final, right? But the Pico Union Neighborhood Council is all ready scheduled for their first regular meeting on April 7, 2014, at 6:30 p.m. with the new Elected Board Members. Is that right? They are going to start regular monthly meetings without waiting for the Provisional Envelopes? There may be a change in a Candidate based on the pending 33 provisional envelopes!

Please state your desired remedy. (max 100 words)

All candidates must be informed of the Results of the 33 Provisional Votes (envelopes). Even if the Votes are vided.
