NEIGHBORHOOD COUNCIL ELECTION CHALLENGE RESOLUTION

April 14, 2014

Dear Mr. Gil:

On April 8, 2014 you submitted a challenge for the Pico Union Neighborhood Council election, addressing concerns regarding Eligibility of Voter.

After thorough review, it has been determined that your challenge does not qualify as a valid challenge.

The Pico Union Neighborhood Council elections were Documentation in 2010, in 2012, and in 2014. The Neighborhood Council is the one that makes the decision to have either Documentation or Self-Affirmation as the method of registering at the polls. The Neighborhood Council's failure to act (confirming documentation or changing to self-affirmation) resulted in a default decision to continue with the choice that was made in 2010 and again in 2012.

There is nothing wrong with the documents that you presented. The problem is that they demonstrate that you live in the Los Feliz Neighborhood Council boundaries. It is up to you to demonstrate that you qualify within the boundaries of the Pico Union Neighborhood Council.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.

Sincerely,

Neighborhood Council Elections Administration
Department of Neighborhood Empowerment
