NEIGHBORHOOD COUNCIL ELECTION CHALLENGE RESOLUTION

April 8, 2014

Dear Ms. Tanamachi:

On March 25, 2014 you submitted a challenge for the Pico Union Neighborhood Council elections, addressing campaign material Issues.

After thorough review, it has been determined that your challenge does not qualify as a valid challenge that requires any action from the Elections Team.

According to your challenge, you requested that the Neighborhood Council stop distributing the flyers in question and to get approval before they continued with any printing. They stopped and they only continued with new printing after having the documents approved.

You also requested that any misinformation be corrected. The Independent Election Administrator and the Poll Manager ensured that all voters produced appropriate documentation and that nobody was allowed to vote using receipts from local restaurants.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.

Sincerely,

Neighborhood Council Elections Administration
Department of Neighborhood Empowerment
