Mr. Ziff,

I'm writing in response to to your Elections Challenge for the Sherman Oaks Neighborhood Council election held on March 20, 2014.

You stated that your Challenge was based on "Eligibility of Candidate" and reiterated your charge with a second Elections Challenge that included more data from your research.

In light of the outcome, the issue is moot and no further action is necessary.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
