Mr. Calne,

I'm writing in response to to your Elections Challenger for the Sherman Oaks Neighborhood Council election held on March 20, 2014.

You stated that your Challenge was based on "Eligibility of Candidate" and was supported by your claim that the Candidate did not qualify for the Community Interest Seat.

The deadline for challenging the qualifications of a candidate is seven days after the deadline for candidate filing. Your Challenge was made four weeks after the February 20, 2014 deadline for challenging Candidate eligibility.

As such, your Election Challenge is not a valid challenge and no action will be taken.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
