NEIGHBORHOOD COUNCIL ELECTION CHALLENGE FORM

I hereby submit my challenge for the	Silver Lake
Neighborhood Council Election held on	04/12/2014
I affirm that I am a stakeholder in this Neighborhood Council and that I have personal knowledge of the following challenge.	check here
Name	Renee Nahum
Business Name (if applicable):	Silver Lake Neighborhood Counc
Address	2350 Hidalgo Ave. Los Angeles, CA 90039 United States 🎴
Phone	323-662-3123
Email	reneenahum@yahoo.com
REASON FOR CHALLENGE:	Eligibility of Voter
Please state the facts for your challenge. (max 500 words)	My challenge is the eligibility of voters who's only qualification is a "membership " to Swim Silver Lake. I signed onto the Swim Silver Lake website to find out about it. I then received an email stating that now as a member I could vote in the SLNC election. I am not a member of this "group" there is no group. There isn't an address on their website. This is an idea , a plan. Quoting Gertrude Stein " There is no there there" If these votes are allowed to stand then anyone who starts a website and states an idea regarding Silver Lake can be an eligible voter in the NC's election. If Swim Silver Lake is claiming that they have held meetings, I challenge that. I walked by the Meadow Park one day and they had a story board with their plan on it to show people as they walked by. This was not a community meeting just a display. I received an email from Stephen Box yesterday with a report of the provisional ballots counted and in the report it says ballots from the Silver Swim Club were counted. Was he referring to Swim Silver Lake? He should get that right. Please see attached email I received from Swim Silver
Please state your desired remedy. (max 100 words)	All ballots from cast from "stake holders" who's only qualification is their membership to Swim Silver Lake should be disqualified.
