Mr. Gillingham,

I'm writing in response to to your Elections Challenger for the Studio City Neighborhood Council election held on March 20, 2014.

You stated that your Challenge was based on "Campaign Material Issues," Electioneering by Candidates," and Inappropriate Endorsements of Candidate."

The essence of your Challenge directed at a slate bulletin that was put put by Candidates with the title "Studio City Neighborhood Council Election Bulletin" and which contained the names of 14 Incumbent Candidates.

While your concerns are noted, it is your responsibility to produce evidence to support any claims of election violations. All election rules regarding slates and election materials appear to be in compliance and there is no evidence to contradict this position.

As such, your Election Challenge is not a valid challenge and no action will be taken.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
