Mr. Adams,

I'm writing in response to to your Elections Challenger for the Studio City Neighborhood Council election held on March 20, 2014.

You stated that your Challenge was based on "Concerns regarding Ballots" but your argument fails to address any issues with ballots, instead working through a list of Neighborhood Council issues that are not challengeable under the Election rules for the Neighborhood Council elections.

Board structure, committee work, the Brown Act, seat definitions, bylaws, and council operations are all qorthy topics for oversight and participation, but they are not grounds for challenging the election.

The Studio City Neighborhood Council election was conducted with oversight and it was audited to ensure the integrity of the process.

As such, your Election Challenge is not a valid challenge and no action will be taken.

Thank you for your commitment to the integrity of the Neighborhood Council electoral process.
