

SURVEY PARTICIPANTS NEEDED

Are you a local resident, employee, business owner, or member of a non-profit organization within the City of Los Angeles? If you answered yes, then we need your input by September 18, 2015!

Your feedback will help the City of Los Angeles Emergency Management Department as it prepares to update the City's Local Hazard Mitigation Plan. The plan will include programs and projects designed to significantly reduce the loss of life and property following a major disaster in Los Angeles.

IT WILL TAKE LESS THAN 15 MINUTES TO ANSWER QUESTIONS ABOUT:

- Your understanding of natural and human caused hazards
- Your understanding of your community's vulnerability
- Your level of emergency preparedness
- Where and how you access information
- Your emergency plans if you are a person with a disability or with an access and functional need
