Ways We Work

- **Discussion Order:** Public Comment → Board Discussion → Motion
- **Raise your hand to speak.** You must be recognized by the President before speaking to ensure everyone who wishes to speak gets a chance to add their voice.
- **Be respectful and professional.** Disagreeing with someone's opinion is fine and expected, but always treat one another with respect.
- **Use time wisely.** Make sure your comments are relevant to the topic and unique.
 - **No cross-talk.** Pay attention to the person who's speaking and leave the room if you need to have a side conversation.
 - **Be brief.** Limit your comments to 90 seconds or a time set by the Chair.

Meeting Agenda

I. Welcoming remarks

- 1. Call to order**
- 2. Roll Call**
- 3. Inclusivity Statement**

Welcome! Before we get started, I'll read some accountability language to help ground us in our commitment to being an actively safe space. This is a reminder that not everyone in this meeting exists within the gender binary and so each of us needs to hold ourselves and others accountable to honoring and uplifting the existences of all gender expansive humans. Please use gender neutral language when referring to the group: everyone, folks, friends, members are all great options. Gendered language such as brothers and sisters or ladies and gentlemen are not inclusive of the community we represent. We ask ourselves and each other to remember to never assume anyone's gender. Additionally, if we don't know someone's pronouns, we can either share our own pronouns and ask for theirs or use gender-neutral language. If one of us does make a misstep or hears someone accidentally misgender someone, please gently make a correction and move forward. It's important that we make this space an example for all political spaces. We are committed to creating and sustaining an actively safe space for underrepresented voices and so by joining the Alliance or attending as a member of the public, we ask that you join us in our commitment to active inclusivity. Our hope is we never let agendas, structure, or end goals become more precious than the humans we are meant to represent and uplift.

4. Land Acknowledgement

As we gather to meet on the unceded land of the Chumash, Tongva, and Kizh peoples, I ask you to join me in acknowledging these communities, generations past, present, and future, as well as the exclusions, erasures, and injustices suffered, upon which our Committee, neighborhood Council, City, and institutions are founded. This acknowledgment demonstrates our commitment to better understand and to begin to work to dismantle the ongoing legacies of settler colonialism.

II. General public comment on non-agenda items

A. Comments from the public on non-agenda items within the Board's jurisdiction (up to 90 seconds per speaker)

III. Community/Government reports & announcements (Q&A limited to three minutes)

- A. LA City Council District Representatives
- B. LA City Department of Neighborhood Empowerment
- C. Other Government Departments/Agencies
- D. Community Organizations
 - a. Presenting AfroClassical Composers
 - b. Run Hollywood
 - c. Crosstown LA

IV. Consent Calendar *(All items on the consent calendar will be carried as a single motion unless anyone wishes to remove an item for discussion.)*

1. **Discussion and possible action** to draft a letter (CIS) regarding the following Council File: **Council File 22-1146**: The motion is instructing the Department of Neighborhood Empowerment to report back in 45 days on the status of the Community Impact Statement Portal, including the issues that led to numerous Community Impact Statements not being transmitted. As CIS's are foundational to NC and public input, any failure to transmit such documents should result in automatic good-faith Cure & Correct efforts for the relevant Item or Project regardless of scale, impact, location, politics, etc.
2. **Discussion and possible action** to draft a letter (CIS) regarding the following Council File: **Council File 21-1230-S2**, Introduced on September 16, 2022 and referred to Budget and Finance Committee; Economic Development and Jobs Committee; Housing Committee; Planning and Land Use Management Committee; Transportation Committee. Motion is directing Los Angeles City Planning, with assistance from the Department of Building and Safety, Los Angeles Department of Transportation, and other relevant departments, to report back within 180 days with strategies to establish the Livable Communities Initiative along suitable transit-rich corridors, or analogous Citywide regulations, that facilitates mid-scale development, promotes the creation of housing units where they do not currently exist. As this CF is moving through City Committees rather quickly, our Cmte feels it is expedient to take a strong stance on this CF to point out our community is NOT one suited to be exploited for YET MORE development along such supposed 'transit rich' corridors. Our bus lines are stuffed to the gills and our stakeholders lack the resources they need to maintain the status quo as it is, let alone welcome more neighbors to the area.
3. **Discussion and possible action** to draft a letter regarding the following Citywide Measure: If Measure SP passes, wish to create an appropriate response, initiative, or additional citizen oversight via a Request for Action that protects this NC and CD-10 from abuse of said program, misappropriation of CRA and other park funds set aside for our NC, and to prevent our NC from disproportionately paying into what appears to be an Olympics slush fund when said Olympics are meant to be privately funded. Many individuals do not know what Measure SP even is. If it is passed and our vulnerable stakeholders are subject to this tax, this Committee feels some form of additional oversight or action may be necessary to mitigate whatever harm this tax may incur.
4. **Discussion and possible action** to draft a letter to the Los Angeles Director of Planning regarding the construction, use, and maintenance of a new 343 Unit 265-foot tall mixed-use building

(Case Nos. **DIR-2022-1925-TOC-SPR-HCA-1A** for the appeal and **ENV-2022-1926-EAF** for the original case) at 3281 W. Wilshire Blvd 90010. Project Appeals have been Submitted and are Pending. The Committee voted unanimously to SUPPORT the Appeals submitted by SAFER and CREED LA.
